Players in each age group must be under their section age limit, unless the tournament committee has given special dispensation.

The team manager at each match should carry evidence of dates of birth of individual players. In the event of any dispute you will be requested to display a league registration form, birth certificate, passport to prove the player's age.

REFEREES:

All matches will have a referee appointed to the game and all 9 a side & 11 a side matches will have three officials.

TEAM CONDUCT:

The West Country Cup fully support the FA RESPECT campaign and it is a key responsibility of the Team Manager to ensure the good behaviour of his players, club officials and parents. There have been instances in the past of poor sportsmanship towards opponents and criticism of the referee and assistants. This is unacceptable and can harm the image of the Cup and of football. We fully appreciate that teams will be competitive but we expect this commitment to remain within the bounds of good sporting conduct. Please be aware that the Cup Management Committee emphasise that they continue to reserve the right to expel any team whose behaviour, from players, club officials or parents, is considered to be against the Cup ethos of football, fun and friendship.

Team Managers/Coaches and their representatives are responsible for their teams at all times during their stay in Newquay for the West Country Cup. Team Managers will be expected to co-operate with the tournament staff and officials to ensure that the programme of matches, runs smoothly and to implement the rules and sporting philosophy of the tournament

Please note that it is an FA rule that no alcohol can be consumed at any venue where youth football is taking place and any team found guilty of breaking the rule will face action from the tournament organisers and may be removed from the competition.
